RE: FEMA-1735-DR-OK, PW# 278 Ver. 0

Dear Sir/Madame:

Please find enclosed your check and a copy of the Project Worksheet (PW) for your records regarding the recent Severe Winter Storms. The check is for the FEMA paid portion of this PW. Also, please find enclosed photocopies of this check. The Sub-grantee Administration Cost check will be forthcoming.

TV

Photocopies must be signed, dated, and faxed OR mailed back to our office within five (5) days of receipt of this letter.

FAX to Attn: State Public Assistance at [REDACTED]

~ OR ~

Mail to:

Attn: Public Assistance
Oklahoma Emergency Management
PO Box 53365
Oklahoma City, OK 73152-3365

If you receive more than \$500,000 in any Federal monies within your fiscal year, you are required to comply with the single audit act. You are also required to provide Oklahoma Emergency Management's Public Assistance Department a copy of your audit within nine months after the end of your fiscal year.

If you have any questions, please contact Public Assistance at [REDACTED] Your cooperation in this matter is greatly appreciated. Thank you.

Sincerely,

Kathleen Shingledecker

Scope of Work

WORK TO BE COMPLETED:

The applicant will follow all state, federal and local laws and will obtain the necessary permits to complete the following:

- A) Pick-up and haul 39,550 CY of vegetative debris to a Debris Management Site which has not been established at this time.
 B) Dispose of 39,550 CY of vegetative debris by burning at a site to be determined. All permits will be obtained prior to burning.
 C) Remove hazardous limbs (hangers) from 1503 trees.

NOTE: A separate PW will be created for related work completed by Force Account, if eligible.

NOTE: The applicant representative, OEM and FEMA Debris Crew Leader completed estimate.

NOTE: The price obtained for chipping was obtained by averaging 36 different contracts across the State of Oklahoma with an average of \$3/ACY.

NOTE: FEMA Cost Codes were used for estimated costs for this PW.

NOTE: The price obtained for removal of hangers was obtained by averaging 36 different contracts across the State of Oklahoma with an average of \$60/tree.

NOTE: The applicant has volunteered to participate in the grants on the basis of estimates procedure of the Public Assistance Pilot Program. The eligible cost for this PW was developed in coordination with State/FEMA/A applicant and is considered the final approved cost for this PW. This estimate-based procedure will be allowed for Category A projects up to \$500,000. Only omissions and errors may be considered for cost adjustments. Applicants will not have appeal rights under this PA Pilot Procedure.
